Senior Product Manager - AI-Driven Audience Measurement & Cross-Media Analytics

---

PROFESSIONAL SUMMARY

Senior Product Manager with 28 years of experience leading complex technology and product initiatives across global markets, specializing in AI-powered audience measurement, panel-based methodologies, and media analytics. Proven track record managing multi-country portfolios, delivering innovative data products leveraging LLMs, RAG, and computer vision, and driving product strategy from discovery to scale. Skilled in agile frameworks, cross-functional leadership, and customer engagement with major broadcasters and agencies to ensure rigorous methodology and strong product-market fit.

HIGHLIGHTED SKILLS

Product Management, Audience Measurement, Panel-Based Methodology, AI & Machine Learning (LLM, RAG), Cross-Media Analytics, Agile & SAFe Practices, Customer Pilot Leadership, Data Platforms (Databricks, Snowflake, GCP, AWS), Behavioral Panel Design & Privacy (GDPR, CCPA), Stakeholder & Cross-Functional Collaboration

EXPERIENCE ALIGNMENT

Kantar IBOPE Media | Sr. Project & Product Manager (2024 - Atual)
- Led a global portfolio of 20+ AI-driven audience measurement projects across 8 countries, integrating panel-based and big-data approaches to deliver innovative media analytics solutions.
- Pioneered AI-accelerated product development using Vibe Coding and Spec Driven Development, drastically reducing time-to-market and validating prototypes with LLM/RAG models for semantic video/audio search and brand exposure detection.
- Managed cross-functional teams and stakeholder engagement to scale automated monitoring systems for broadcasters and digital platforms, ensuring methodological rigor aligned with industry standards like BARB.

Consultor de Tecnologia / Freelance | Consultor de Tecnologia / Gerente de Projetos (2022 - 2024)
- Delivered strategic technology consulting and governance frameworks for large clients, including process audits and compliance with privacy regulations (LGPD), enhancing data governance and operational efficiency.
- Led design and execution of Proof of Concepts (PoCs) and RFI/RFP processes, driving innovation and digital transformation aligned with client business goals.

NAVA Technology for Business | Head de Pré-Vendas (2020 - 2022)
- Directed pre-sales and solution engineering for data-heavy projects, managing R$55M in sales and delivering AI-powered telephony automation and video monitoring solutions for major clients.
- Implemented ITIL best practices and agile workflows to optimize project delivery and customer engagement.
